News from the Programs

Woodland Summer House

At Woodland Summer House we have seen many new faces joining our crew and we wish to welcome our newly promoted Program Manager, Roxana, as well as our new Advocates, Isabel and Alyssa! We have several residents enjoying new day programs, several headed out for traveling adventures, and the rest hard at work. We have been busy with fall preparations and decorations, and of course, getting ready for the holidays!

Davis Summer House

Recently, the Davis Summer House has been hard at work on their new masterpiece, shown next to this. They just kicked off the holiday season with "spirit week" and are gearing up for their spooky Halloween party. We want to congratulate Jeff and Amy on their Special O medals. We are happy to welcome our newest resident, Stassi, to our home!

Community Living Program

Community Living Program has been hopping with travel plans and the holidays upcoming. It's been a busy summer and fall for our folks, with many people moving to new apartments and several people being featured in an article in the Sac Bee newspaper! CLP is gearing up with big plans for a Holiday Party thanks to the generous donations we have received this year.

Supported Living Services Program

Many of our clients in SLS have been busy traveling in recent months. McKenna is just back from an exciting Disneyland trip and Chris just returned from camping! Esteban has been getting in shape and participating in many fun runs this summer and fall. Great job! We also had many of our in house activists participate in a recent rally at the Crest Theater and march to the Capital.

A Brief Summary of Summer House Supports

Woodland Summer House

Woodland Summer House is a twelve bed residence that provides not only all of the physical supports of home, food, and transportation, but also the necessary supports and supervision for residents to live as an active, independent community member.

Supported Living Services

Supported Living Services program offers support to individuals living in their own home with an active interest in making choices for and then directing their own support structure to live successfully in the community.

Davis Summer House

Davis Summer House is a twelve bed residence that provides not only all of the physical supports of home, food, and transportation, but also the necessary supports and supervision for residents to live as an active, independent community member. In addition we have available two respite rooms for short term visits.

Community Living Program

Community Living Program provides more specialized skill instruction in the key areas of independent living to individuals living or soon to be living in their own home.

Transitional Apartments

Summer House, Inc. offers five low cost Transitional Apartments located close to the Woodland Summer House to allow for additional staff support if necessary.
